OWES HER HEALTH

To Lydia E. Pinkham's Vegetable Compound

Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound has done for me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, your Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am scarcely ever without it in the house."

"I will say also that I think there is no better medicine to be found for young girls to build them up and make them strong and well. My eldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has always helped her."

"I am always ready and willing to speak a good word for the Lydia E. Pinkham's Remedies. I tell every one I meet that I owe my health and happiness to these wonderful medicines."

—Mrs. J. G. JONSSON, Scottville, Mich., R.F.D. 3.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases.

MEXICAN PEACE NOT IN SIGHT

(Associated Press Cable)

CITY OF MEXICO, Apr. 6.—The idea is gradually taking possession of the official circles of this city that the prospects for any speedy settlement of the internal troubles of Mexico are faint. A general air of pessimism is prevalent, and the hope that had sprung up with the return of Llanos, the announcement that Reyes was to be recalled, and the promise of electoral reforms by President Diaz, has almost disappeared.

Madero Tightens Siege.
CHIHUAHUA, Mex., Apr. 6.—General Madero is drawing the lines tighter and tighter about this city, and today is reported to have issued orders to his various lieutenants to prepare their commands for sharp action. Conditions within the city, which has been cut off from supplies for many weeks, are growing desperate. There is a scarcity of provisions and much suffering exists among the citizens.

INSANE COWBOY KILLS HIS BRIDE

BILLINGS, Mont., Apr. 6.—CBI Roots, a cowboy, temporarily insane, committed a series of terrible murders today, then took his own life. Roots had just been married, and it is supposed the excitement of the ceremony robbed him of his reason. Without warning, he drew a gun and shot his bride down. Her brother, who attempted to disarm him, he killed. He then emptied the other chambers of his gun into the assembled wedding guests. One bullet killed his stepson, another his newly-made sister-in-law. The last bullet he put through his own brain.

SHRIeking PRISONERS STOP THE TRIAL

VITERBO, Italy, Apr. 6.—Scenes of violence, pathos and indescribable confusion marked today's developments in the trial of the thirty-six "Camorristi." Worked up by the events in the courtroom of the past month, the prisoners are in a highly emotional state, a condition shared by the hundreds of relatives and others among the spectators tensely watching the progress of the prosecution of the prisoners on a charge of organized robbery and murder. The resulting confusion stopped the trial.

ITALY COOL TO GERMAN ROYALTY

ROME, Apr. 6.—The German Crown Prince and Crown Princess, who arrived today to represent Germany at the celebration of the fiftieth anniversary of Italian unity, are being entertained by King Victor. The populace has refused to greet the royal visitors with any enthusiasm, to mark the Italian displeasure at the change made in the plans by the German government.

FRENCH OFFICIAL IS UNDER ARREST

PARIS, Apr. 6.—M. Rouet, an official of the French foreign office, and M. Maillon, an employee of an Anglo-Egyptian newspaper, were arrested tonight, charged with high treason. Rouet is charged with having furnished the newspaper man with confidential state documents to be used against France in the Egyptian press.

TEACHER IS A POO-BAH

Waipahu school building, to outward appearances may appear a thing of beauty and a joy forever, but the structure is in grave danger of tumbling about the person of the teacher, according to a lengthy but very interesting communication that comes from Mrs. Sophia Overend, and has found its way to the office of Mayor J. J. Fern.

Waipahu school no longer is sufficient for the needs of the rising generation at the plantation camp. The steady increase in population has compelled a large number of children to seek the fruit from the tree of knowledge from the vantage ground of a small and congested land.

The call is made for two class rooms in addition to the regular school building allowing for the accommodation of 300 pupils. Fern have been turned away because of lack of room.

Mrs. Overend states that finances have compelled the school to rub along without a janitor or extra teacher. The instructress writes that she is obliged to look after the school yard and attend to the sprinkling of the lawn.

The expenditure of some hundreds of dollars will place the plant in first class condition again. The suggestion is made that two new toilets be added and repairs be made to the blackboards, windows and then follow with a general repainting.

The committee on ways and means has the matter in hand.

INDICTMENTS RETURNED

Indictments were returned by the Territorial grand jury yesterday as follows:
Marcel Sabellumama, assault and battery.
George Myhre, murder, first degree.
Juan Rivoera, burglary.
T. Kobayashi, murder, first degree.
Charles Johnson, robbery, second degree.

SUNSHINE AND Scott's Emulsion

are the two great creators of energy. You can get along without Scott's Emulsion if you have enough sunshine, but for the millions who don't get much sunshine,

Scott's Emulsion is absolutely necessary. You can always get Scott's Emulsion. Get sunshine, too, whenever you can.
